

Caption for Resonance photos available at <http://cdsweb.cern.ch/record/1306204>

Photos 01 and 02

From left to right

- Genevieve Steele - PhD student on ATLAS, University of Glasgow
- Martin White - Postdoctoral scientist for ATLAS, University of Melbourne / TLA's
- Cat Demetriades – Former Postdoctoral scientist for ATLAS, University of Athens
- Steven Goldfarb: ATLAS Physicist, University of Michigan/Canettes Blues band

Photos 03 and 04

From left to right

- Genevieve Steele - PhD student on ATLAS, University of Glasgow
- Martin White - Postdoctoral scientist for ATLAS, University of Melbourne / TLA's
- Cat Demetriades – Former Postdoctoral scientist for ATLAS, University of Athens

Photo 05

From left to right

- Nick Barlow - Postdoctoral scientist for ATLAS, University of Cambridge / TLA's
- Paul Jackson – Postdoctoral scientist for ATLAS, University of SLAC / A.W.E.S.O.M.E
- Christian Ohm – Graduate Student for ATLAS, Stockholm University/ A.W.E.S.O.M.E
- Joe Izen, ATLAS Physicist, University of Texas at Dallas/ Squirrelheads in Gravy

Photo 06

From left to right

- Frederic Rosset – Technician for Movement Systems in ATLAS /Balc
- Nick Barlow - Postdoctoral scientist for ATLAS, University of Cambridge / TLA's
- Paul Jackson – Postdoctoral scientist for ATLAS, University of SLAC / A.W.E.S.O.M.E
- Connie Potter - Head of the ATLAS secretariat/ Canettes Blues band
- Christian Ohm – Graduate Student for ATLAS, Stockholm University/ A.W.E.S.O.M.E
- Joe Izen, ATLAS Physicist, University of Texas at Dallas/ Squirrelheads in Gravy

Photo 07

From left to right

- Diego Casadei- Postdoctoral scientist for ATLAS, New York University/ Diego Casadei
- Frederic Rosset – Technician for Movement Systems in ATLAS /Balc
- Nick Barlow - Postdoctoral scientist for ATLAS, University of Cambridge / TLA's
- Chris Thomas - Resources and Logistics Beams Department/Producer for Resonance
- Paul Jackson (below) – Postdoctoral scientist for ATLAS, University of SLAC / A.W.E.S.O.M.E
- Connie Potter - Head of the ATLAS secretariat/ Canettes Blues band
- Christian Ohm – Graduate Student for ATLAS, Stockholm University/ A.W.E.S.O.M.E
- Joe Izen, ATLAS Physicist, University of Texas at Dallas/ Squirrelheads in Gravy

Photo 08 and 09

From left to right

- Chris Thomas: Resources and Logistics Beams Department/Producer for Resonance Department/album producer
- Joe Izen, ATLAS Physicist, Univ. of Texas at Dallas/ Squirrelheads in Gravy
- Rusty Boyd – ATLAS engineer for Pixel detector/ What's Next
- Jonathan Butterworth, Professor of Physics at University College London/D'Anglerz
- Steven Goldfarb: ATLAS Physicist, University of Michigan/Canettes Blues band

Photo 10 – artists from the classical CD

From left to right

- Genevieve Steele - PhD student on ATLAS, University of Glasgow
- Tomio Kobayashi - Team leader of Univ. of Tokyo
- Diego Casadei – Postdoctoral scientist for ATLAS, New York University
- Fabiola Gianotti – ATLAS Experiment Spokesperson
